

161 Alice Street Newtown NSW

2 2

Two bedroom cottage in a very desirable location. Consisting of a fabulous living room with working gas fireplace for comfort. Downstairs has polished floorboards and also has the second bedroom and an impressive main bathroom. The kitchen is near new and includes dishwasher, Ceasar stone bench-tops and an adjoining dining area with French doors to the landscaped private paved north facing rear garden. Upstairs is the main bedroom with its own stylish ensuite and plenty of storage and a built-in. Centrally located close to public transport, king streets cafes and The Metro shopping centre is just across the road. A great little home especially if you have pets as this ones pet friendly.
