A sublime location, moments to South King Street's bustling shops, cafes and restaurants sets the scene for this dual level semi-detached Federation cottage transformed and extended to offer a ready-to-enjoy lifestyle with an exciting mix of period charm and daring imaginative colour. Generous accommodation provides three double bedrooms (main with luxurious ensuite), spacious lounge & dining rooms bathed in natural light, striking modern main bathroom with frameless glass shower and separate roll-top bath. The contemporary renovation to the rear is a triumph and features a fully equipped designer kitchen and adjoining sundrenched informal living/dining room with sliding glass doors leading to a north facing entertaining deck overlooking a lush private tropical landscaped rear garden.

A truly unique home to savour and enjoy.

Additional Features Include:

- * Reverse cycle air-conditioning in all bedrooms and living areas
- * Glowing polished floorboards
- * HEPA filtered HRV airflow in every room
