Enjoy your own private apartment in a very central location. Tucked away at the back of the building it has a charming feel with loads of light and fully self contained. One main bedroom with wardrobe & renovated ensuite bathroom with ample storage. The living room is spacious with air conditioning and it has an adjoining kitchen with a large pantry. Leafy aspect, polished floor boards and registered car space make for the complete fit. Excellent location 200m metres from Ashfield train station and Ashfield's high street shopping is an added bonus.
